## Connor Syme

### Quick Quotes

**Q. Just five pars out there. Describe your day out there.**

CONNOR SYME: Mental day. Mental day. I played 14, I was like, I made so many birdies today. It was fun. I hit is so well. I hit it close to a lot of pins, and I actually left a few out there, which sounds a bit daft.

The couple bogeys I made were frustrating. Around that par 5, I made six. It's a really, really weird thing to say.

But obviously delighted with the score. Gets me right bag up the board.

**Q. Quite over the first two days, what changed today? Mind mindset? Conditions?**

CONNOR SYME: I think more mindset. I think I was just like, I don't know, hit some putts, or looking into putts and being like, it's tricky trying to over-read them and stuff like that. I was trying to imagine, what if I was playing with my mate at home? I know the scenario is a lot different but I was like, what process would I do? Because I play quite fast and sometimes I feel like I get bumped out in tournaments. It was nice to play a bit freer, and obviously it worked.
