**Q. So can you take me through your round today and how you felt going in today?**

CALUM HILL: Yeah, it was all right. It was a bit uncertain whether it was going to rain or not, so kind of weather-wise it was a bit strange.

We certainly got the best end of it. Massively got the best end of it over the last two days.

**Q. Yeah, for sure.**

CALUM HILL: And then managed to take advantage of it a little, I guess.

**Q. And how do you feel about going into the weekend? Are you confident?**

CALUM HILL: Yeah, I should be all right. I kind of dobbed it about a little bit more today. I hit it better yesterday. But then I still had plenty of chances, they just didn't -- didn't hole that well from 12 feet. And then so, yeah, score could have been a bit better, but it was good.

**Q. And what are you going to do tonight to prepare?**

CALUM HILL: I don't know, same as always, get some food, I guess, maybe a bit of gym and sleep.

**Q. Have fun. Thank you.**
