## Robert MacIntyre

### Quick Quotes

**Q. Disappointed to make a six at the last but I'm sure overall you're pleased with a final 67?**

ROBERT MacINTYRE: Yeah, delighted. We set a game plan at the start of the week, and tried to execute it as good as we could. We had the idea of 4-under every round. Yesterday I dropped a shot; today I gained a shot. So we are right in the position that I was planning on being in.

I'm playing great and I'm committing to every shot and I'm accepting everything. That's when I play my best golf.

I've done some great work in the last week. I feel like I've got a path on my long game and didn't have a path on my putting. Didn't have checkpoints or nothing. This week finally found it. That we're doing is working now. When it gets rolling, it gets rolling.
