Quick Quotes

Q. Level par through 13 and then caught fire, 4-under for three holes and bogeyed the last. What's your verdict overall?

SAM HORSFIELD: It was a little sloppy. It wasn't my best stuff. It was nice to make that eagle on 14, I think it was. Made a 60-footer across the green and that was nice. Got the momentum going for the next few holes. Got a aggressive on 18 trying to hit driver.

Q. You will play with Rory in the final match tomorrow, and chance to win a \$3 million first prize. Talk about that opportunity?

SAM HORSFIELD: It's going to be a blast. I've played with Rory a few times. He's a good dude and I'm really looking forward to it. Just try to play good golf again and see what happens.
