Quick Quotes

Q. Overall, 12-under is pretty good going.

ALEXANDER BJÖRK: Yeah, not as good as yesterday.

Q. The back nine, just talk us through the birdies and bogeys.

ALEXANDER BJÖRK: Yeah, made the putt on 13 and 14, came up a little short on 15.

Q. You've been showing good form recently, Andalucía, you got back to your best and last week. What's been the key to the form over the last few weeks?

ALEXANDER BJÖRK: I don't know, just try to play. Just trying to play as good as I can. I don't know why it's better than the rest of the season, but I feel a little bit more comfortable on the course at the moment, so I think that helps. Yeah, just try not to think about it much.

Q. This seems to be a tournament that everyone wants to win and you've got yourself in position to win. What would it mean to win this championship to you?

ALEXANDER BJÖRK: Lots. Obviously it's the Race to Dubai final and last tournament of the year. Yeah, you always want to win it. See what happens tomorrow.
