Q. How would you reflect over those 36 holes?

ADRI ARNAUS: Really, really pleased with the first two days. A bit scrappy at times but always kept it together in the moment and I was able to finish off in great way, so really happy.

I'm just trying to do my best on every hole, and if it turns out that way, great. But yeah, all I'm trying to do is put the ball in a good spot.

Q. How nice to be in this environment at the Tour Chase championship with the top players on the DP World Tour?

ADRI ARNAUS: I enjoy this week every time. It's a big tournament for me. I'm staying at home and I have friends over and family and at the end, the environment was great and it's a fantastic golf course do in enjoyable shape, so an enjoyable week.

Q. With Dubai as your home, how much more relaxed does that allow you to be on the golf course?

ADRI ARNAUS: I always take it very seriously to be in a good head space internally. Weeks that I'm staying at home it's easier.
