## Adrian Meronk

### Quick Quotes

#### **Q. 65 today, just talk us through it.**

ADRIAN MERONK: Yeah, very solid today, I started well, a couple birdies at the beginning and kept going. I was trying to hit the greens all week and I did a good job today and very pleased with my round.

#### **Q. You've put together some really good rounds around this golf course. What is it you like most about it?**

ADRIAN MERONK: I spent a lot of time in the off-season on this golf course so I know it quite well, although it's playing much more difficult with the rough and the greens being so fast. But it just suits me. The course suits me. I kind of know my lines, and if you hit it long and straight, it's a little bit easier, obviously.

But yeah, just the key I think is just to keep the ball in the fairway and on the correct sides of the holes.

#### **Q. You're in a great place going into tomorrow. When you look at the leaderboard, some of the leading names in European golf are up there. How nice to be in amongst that?**

ADRIAN MERONK: Yeah, trying not to look, just trying to focus on my game. Had a great year this year, the best of my career. So just want to finish it off tomorrow and have a good finish to the season.

#### **Q. It's obviously going to be a big day in terms of the World Rankings as well, a lot of points on offer this week and you're on the precipice of that top 50 as we head toward the end of the calendar year.**

ADRIAN MERONK: That's in the back of I mind as well. But as I said, I just want to go tomorrow, play my game as best as I can and we'll see at the end of the day what's going to happen. So I'm not thinking about it now.
