## Antoine Rozner

### Quick Quotes

**Q. Solid second round, 67, how would you rate today's performance?**

ANTOINE ROZNER: Very pleased with my round. To be honest I played very solid. My putting, I putted pretty well. I holed a lot of putts. I think that's key here. If you're going to make putts, you've got to roll it well. I read most of the putts. Felt really good, as well. It's challenging to read them well with the grain. So I putted really well today.

**Q. How different was the course playing today?**

ANTOINE ROZNER: It was definitely a little bit softer which I think made some pins a little bit more accessible. But as you said, they did a really good job overnight because there was some massive rain out there and we can still see quite a bit of water out there and I think we got to raise a hat to them because they did a really good job.

**Q. Tied for the lead at the halfway stage, does this get the juices rolling in a Rolex Series Event?**

ANTOINE ROZNER: Yeah, nothing to lose, and as a little bit of an outsider, I'm happy to be here and I feel good to be here. I'll just try to keep going as long as possible and I'm trying to be aggressive on the course and it's paying off for now.
