## Nicolai Højgaard

### Quick Quotes

**Q. Congratulations on a wonderful round of golf. Second day in a row, level-par on the front nine, you lit it up on the back nine, 31 yesterday, 30 today. Coincidence, or is there something going on?**

NICOLAI HØJGAARD: Yeah, it's a little bit like last week as well. Had a slow start in every round, basically. And then I just know on every round there's going to be a run of birdies at some point with where my game is at. So it's about staying patient.

But I would like to play the front nine a little bit better in the weekend. But I'm very, very satisfied with how I'm playing these two rounds.

**Q. Where is your confidence level right now? Obviously second last weekend, and the confidence you must have got from the Ryder Cup, being part of the winning team there.**

NICOLAI HØJGAARD: Yeah, I mean, I trust my game at the moment. It's been a little bit shaky at times this year, but I feel like we're on track at the moment. I feel like I've got confidence in my shots, the selections of shots, the game plan we've put in place every round.

So, yeah, very happy with how it's going.

**Q. Eight top 10s so far this year, a couple of second places. How excited about the possibility you've got one better in the last event of the season?**

NICOLAI HØJGAARD: That would be pretty cool, yeah. I feel like that's the only thing I missed this season. But there's two rounds to go. There's a lot of really good players in this field I know that's going to be in the hunt the next few days, and I'm going to keep grinding as much as I can and putt myself around, hopefully, and we'll see on Sunday.
