## Mike Browne

### Quick Quotes

**Q. Many, many congratulations, fabulous round of 71 to emerge as the champion here. Describe your emotions for us?**

MIKE BROWNE: Quite emotional. That was a pretty special day today. The course was playing amazing. Yeah, that one was for my dad. A year ago we lost him, so that one's for him.

**Q. You birdied the 11th and 12th to get four ahead. A few struggles at the last; what were you thinking as that was unfolding?**

MIKE BROWNE: I was trying to get the ball to the green whichever way possible but I had to take a drop. Got a bit unlucky but we got it done.

**Q. Eight events on the G4D, and you played some iconic events at the same time as the world's best players are playing on them. How special is that?**

MIKE BROWNE: You can't put it into words, sharing the course with the greats of the modern times. I feel very privileged and lucky to be able to get this chance to play. Thank you to everyone who has got me to this point.

**Q. What would your message be to someone with a disability who may be inspired by you and may be thinking to take up golf?**

MIKE BROWNE: Yeah, just get involved. Changed my life. Golf saved my life. We're in a spot now that we have a platform, and it's going to be an amazing time in the future for disabled golf.
