Quick Quotes

Q. 64 today. Must be inspiring to play with the Masters Champion, Jon Rahm?

JEFF WINTHER: Yeah, I don't know what to say. He's a great guy and he's obviously a phenomenal golfer. He was very kind to say when we finished on the last, he was like, "Very annoying, everything you did was just a little bit better than me today."

I feel quite happy now.

Q. Talk about the hole out at 11th.

JEFF WINTHER: Yeah, semi-poor tee shot off the tee. I couldn't see anything. My caddie, Rick said yeah, just go to the TV towers, and hit a wedge right at it. Couldn't see the green. All of a sudden people went crazy, and Jon stood a good further up, because he's longer than me. Most people are. It went in. It was pretty cool.

Q. 19 birdies and two eagles already. How excited about your chances tomorrow to win this championship?

JEFF WINTHER: The last two months have been really good to me. I found something, Rich and I, my caddie, we have a great relationship and we were making a lot of fuss out of nothing. It's great, really. We're just trying to have fun.
