Quick Quotes

Q. It's official now, you've got your PGA TOUR card for next season, most likely the No. 1 position barring a miracle from some of the particulars on the golf course. How excited about the possibilities to play over there and still play over here when you would like to?

ADRIAN MERONK: Yeah, it's been a goal to mine since we found out we are playing for PGA TOUR cards. I'm very glad that I'm going to be playing on the PGA TOUR. I played some tournaments this year, and gained some experience. I'm looking forward to it.

Q. You won three times this year, career-high finish in The Race to Dubai. Just how proud of what you've achieved?

ADRIAN MERONK: Very proud. Each year I'm progressing my golf, result, scoring average, confidence. It's very pleasing to be honest. Hopefully I can keep going forward and keep moving in the right direction and keep improving. But I'm very proud of this season and everything I've done.
