## Rasmus Hojgaard

### Quick Quotes

#### **Q. What's the dishes out there for you?**

RASMUS HØJGAARD: First of all, putting was a big difference. Holed a few long putts today. It obviously makes a big difference.

But in general, I think I was a bit more in play. Had more chances. But still some good saves out there.

#### **Q. Is there anything different with the putter or did you just suck it up and just accept that this is golf, some days you make it, some days you don't?**

RASMUS HØJGAARD: Yeah, just accept that you have good days and you have less good days. Yesterday it wasn't that I was putting bad. I rolled it nice but just didn't hole that many putts. And today, I got off to a good start. Made some putts early.

#### **Q. Last year was a strange vibe for you, joy for your brother winning here at but so close to that PGA TOUR card. You've locked that up and won a huge championship in The Irish Open. How have you evolved as a player in the last 12 months?**

RASMUS HØJGAARD: Obviously last year was a tough one. But it gave me good motivation for this year. You know, I tried to take it a bit more on, if that's the right word for it, but don't stress too much about not getting off to a good start or whatever it might be. It's a long season and you're going to get on a run at some point.

Feel like I got off to a good start this year and had an average stretch of golf which is very normal, and then after the summer break, I came back, tried not to get ahead of myself and stayed patient.
