Quick Quotes

Q. Just your assessment of today's round, four birdies. What was it like out there?

ROBERT MacINTYRE: It was good. It was similar today to. I just holed a few more putts. Yeah, just it's tough when you're not in position, but I feel like the last two days, I've been in position and drove it well. Approach play has been sensible and then today just holed a few more.

Q. Two more days of the same, are you going to try and push on for these final two rounds?

ROBERT MacINTYRE: To be honest, I'm just going to have to try to do the exact same as the last two days. Minimize the dropped shots. Pick up birdies where you can and try not to make a disaster somewhere because the rough is just sitting on you waiting on you to hit a poor one at the rang time, just leaves a wrong angle. Just keep plodding along and yeah, take two more 4-unders.
