Quick Quotes

Q. What was going on with the game out there today?

TYRRELL HATTON: Pretty similar thing to yesterday to be honest in terms of just not feeling very comfortable. Yeah, just every shot felt like a bit of a struggle, I guess. 3-under is a pretty acceptable score, all things considered but naturally you always kind of -- you want to be better.

So yeah, I guess it's fair to say I'm pretty frustrated.

Q. Despite being frustrated, you're still within one of the lead going into the weekend with an opportunity to win for the second time in three starts. Just give us your thoughts on that opportunity?

TYRRELL HATTON: I mean, well, taking the positives from two days where I don't feel like I've played the kind of golf I'm capable of, and we're one shot off the lead going into the weekend. So yeah, hopefully I can find something and hit it a little bit better. That would make this weekend a little bit more exciting for me, but yeah, I'll go out there tomorrow and give it my best as I have done the last two days, and just hope something clicks.
