## Robert MacIntyre

### Quick Quotes

#### Q. Thoughts on the final week of the season?

ROBERT MacINTYRE: Obviously it's a decent week but sour taste with the finish.

#### Q. You've had some incredible highlights in the season. Looking at the season as a whole, how do you reflect on that?

ROBERT MacINTYRE: It's been unbelievable. Two fairy tale victories to be honest with you. But you forget about them when you're trying to play a golf tournament, and just now, I couldn't really care about those two wins. But when I sit down and reflect, they will be unbelievable wins.

I've obviously played in the biggest events in the world. You can't play in bigger events than I'll be playing next year. I'm in a good position, if I play well, I should be in the Ryder Cup, and if I don't, then I don't deserve to be there.

#### Q. Is it time for the clubs to be put aside for a while or straight back to the driving range?

ROBERT MacINTYRE: No, you don't get time off in this sport. I had three or four weeks off there. That was my winter break. I have two weeks off before I head to the Bahamas and probably another week after that, and then the PGA TOUR kick starts again. It's a bit fast-paced for me but it is what it is.
