Quick Quotes

Q. You came into this week one spot outside the ten guys that were going to qualify for the PGA TOUR cards. We think and the math is complicated but we think the birdie at last has put you just above Jordan Smith and got you one of those cards. If that is the case, how exciting is that for you?

TOM MCKIBBIN: Yeah, very exciting. Yeah it would be great to be over there on the PGA TOUR, a tour I've watched alongside, and it will be great over there and play some golf.

Q. How much pressure were you feeling out there today?

TOM MCKIBBIN: Yeah, I think it was a tough one. I mean, sort of wanting to finish the tournament as best I can, knowing that was on the line, a hard golf course and pretty tricky day. Especially 17, 18, I feel like you don't have to hit too poor of a shot find the water and likely I hit pretty good ones.

Q. Do you feel like you have the game to go over there and do some damage? Because I do.

TOM MCKIBBIN: I think so. Seems like I like to play on some of the harder courses and that suits my game a little more, so it will be exciting to get over there and see how it goes.
