Q. 4-under par to start, how pleased with that round?

SHANE LOWRY: I got off to a very hot start and I didn't really do much for the rest of the day. Nice to birdie the last. It was kind of a frustrating day before that. 4-under is okay around here. I think the scoring is going to be good in the afternoon. The course is there for the taking.

SHANE LOWRY: The only thing I didn't do so far this season is win. I've got one more chance this week. Look, no matter what happens this week, I'll sit there at Christmas and I'll have my Ryder Cup trophy on the table and I think it will be a pretty nice year.

But a win this week would definitely be the icing on the
