### Quick Quotes

#### **Q. 5-under par 68, your thoughts on that round today?**

DANIEL HILLIER: Yeah, obviously a little bit of a slow start. Yeah, I don't think I made a par through the first four holes or something. Still trying to find footing. Yeah, did that pretty well in the end. Played pretty solid for the remainder of the round, and yeah, happy with the scores. On to tomorrow.

#### **Q. What were the differences between today and yesterday in terms of the round and the way you played?**

DANIEL HILLIER: I don't know, I think maybe the situation. You know, realising where I am in the rankings and all that sort of stuff. Back to what I've been saying the last few weeks. Just got to get back to staying patient and just taking it one shot at a time.

#### **Q. A PGA TOUR card is clearly on your mind. What are you thinking about and how are you dealing with this?**

DANIEL HILLIER: Yeah, for me, I'm in a pretty lucky position where even if I don't get it, I get to spend another year out here on the DP World Tour. It would be amazing getting a PGA TOUR but I love playing in Europe as well. Regardless I'm pretty happy with the year. Yeah, that PGA TOUR card is going to be a bonus anyway.

#### **Q. How do you go about the weekend?**

DANIEL HILLIER: Same as usual. I don't want to do anything too tricky. Stay in my lane and play each shot as well as I can and see how we go.
