TOUR CHAMPIONSHIP

A Rolex Series Event

Q. Three bogeys each of your first two rounds prevented you from going low. And today a clean card with 65. What was the difference in your play?

RASMUS HØJGAARD: A little bit more consistency tee-to-green, I would say, and gave myself some good chances today. Still rolled the putter nicely. Golf just felt easier today and didn't have to fight as hard to keep a decent score.

Q. Tied for the lead in this championship going into the final round last year. And ended up finishing second to the legend that is Rory McIlroy. What about the opportunity to go one better tomorrow?

RASMUS HØJGAARD: Yeah, sounds pretty good to me. I'd love to be there tomorrow on the back nine having a chance.
