DP WORLD
TOUR CHAMPIONSHIP

A Rolex Series Event

Q. Best of the week 66, tell us about that one from your point of view?

MATT FITZPATRICK: Yeah, played solid. Played as solid a round as I have all week. Helps when you hole out on 5, obviously. But yeah, that was kind of a nice little start to get the round going.

Q. Two wins and three other Top 5s at this venue. It's your most successful venue sort of statistically. How much can you draw on those positive experiences in tomorrow your quest to win tomorrow?

MATT FITZPATRICK: Yeah, probably a lot more than a few of the other players, so that's always nice. There's probably only Rory that's playing this week that knows it as well as myself.

Yeah, even just on last, my fourth shot out of the bunker, I remember I had that in 2016 to win. Yeah, there's just little things when you're out there in the moment that you can remember, okay, I did this or this putt may go this way. Yeah, it's definitely helpful.
