MARCO SIMONE
ROME, ITALY

Q. On the match, obviously you guys battled until the end, kept the hope alive.

XANDER SCHAUFFELE: Yeah, no, it was just the first go-around here. We'll have to make some adjustments across the board. We'll be fine. Not sweating it.

Q. Is that a little bit of an incentive to go, hey, look, we took the punch in the mouth and now we're ready to go? Like it's important this second session to go out and say, hey, we're not going to lay down?

XANDER SCHAUFFELE: Yeah, I'm not worried. Our team is deep. These boys will come out hungry these next matches.
