**Q. Just give me your thoughts on today's round.**

RICKIE FOWLER: You know, we just got off to a bit of a slow start. Collin played nice. He kept us in it early. And we struggled to kind of get some momentum going our way.

You know, Sepp and Shane kind of played some pretty solid golf, didn't really give us a whole lot until maybe a couple holes on the back nine. But we just put ourselves in a little bit too big of a hole to come back.
