MARCO SIMONE  
ROME, ITALY

**Q. Justin, congrats on a great battle and a big half-point for the team today. What were some of your takeaways from that round with Jordan?**

JUSTIN THOMAS: We felt hard. Felt like it could have just as easily gone the other way. It's a bummer. It's not the start we wanted but fortunately for us we've got a lot of golf left. We'll just go get some sleep, regroup and go try to win as many points as possible tomorrow.

**Q. You guys do trail early, but given how talented this team and how much experience you have, this thing is far from over?**

JUSTIN THOMAS: It is but tomorrow is important. We've put ourselves in a spot where we need -- every session is extremely important and yeah, at the end of the day, it's just all anybody can do is control their match. You can't win more than one point in one match, and just go out and do your job and win as many as we possibly can tomorrow and get back in it going into singles.
