Q. What this does as you look forward to '25 and what this event, your takeaway was?

SAM BURNS: Yeah, I mean, I'd say it's probably the coolest thing in my life on the golf course. Never experienced anything like it. And just wish I could have gotten some more points for our team.

Q. What does it mean, though, just to see the guys rallying, and even last night? I mean, I saw you guys in there. Is that even the start of something? I know that happens a lot, you have those tough times, knowing that the future is still bright and you're going to be a part of that. What is the takeaway, probably the biggest takeaway for you from this week?

SAM BURNS: Yeah, I mean, definitely. I think this is a close-knit group. We all want to win really bad, and so I think that will definitely help us in the future.
