MARCO SIMONE  
ROME, ITALY

**Q. Today is all about individuals delivering their point, just how excited to deliver yours?**

TYRRELL HATTON: Yeah, more relief to be honest. Obviously I lost my last two singles in previous Ryder Cups. Yeah, I really wanted to win the point today. That felt amazing, and you saw my reaction there when the match finished.

**Q. You've gone unbeaten this week with three wins and a halve. How proud of that performance?**

TYRRELL HATTON: Yeah, really hard. It's so hard to win one point. Played some all right golf in the previous two and you could argue that my record doesn't look great. Yeah, to be 3 1/2 out of four this week, I'm over the moon. Ultimately the main goal is for Europe to win the Ryder Cup back.

**Q. Looking at the board, what do you think?**

TYRRELL HATTON: Well, it looks like it's going to be close but hopefully we can get over the line.
