Quick Quotes

NIALL KEARNEY: I thought I hit the ball very well. The pins were difficult I felt, especially early on. Got off to a decent start. Level through four. The first four are tricky enough. Got it to 2-under sort of halfway around the back nine, and so I birdied 7 to get it to two, teetering between level par and 1-under most of the day and didn't quite push on?

Q. Just outside the Top-10 in Munich last week and a fourth place finish in Tenerife. Overall I presume you're very happy with the way your season is going?

NIALL KEARNEY: Yeah, I'm getting loads of opportunities. This is another opportunity that I need to try to capitalize on. Overall things have been good. Game has been solid. Yeah, it's great.
