### Quick Quotes

#### Q. Shane, how special was the last four holes for you?

SHANE LOWRY: It was pretty cool. To be honest, I had kind of resigned myself to the fact I was going home, packing my bags. Don't know if I've ever birdied the last four to make a cut so that's a first. I'm just happy to be in the weekend. Everybody knows how much this tournament means to me and how much I want to be here. Quite a few people come to see me play and nice to have them here now and I'm looking forward to the weekends.

#### Q. Three back behind the leader, can you describe to us the atmosphere?

SEAMUS POWER: It was definitely a first for me. It was a lot of fun coming down near the end and obviously Shane holing the putt on the last that was as loud a roar as you hear on a course especially on Friday. Nice to be a part of it. Delighted I was able to make a putt. To be honest I took an extra couple seconds.

#### Q. What's the tactics for the weekend?

SHANE LOWRY: I need to go low tomorrow but I feel like found something today on the back nine so I'm excited for the weekend and the Pro-Am Monday, Tuesday and The Open. Honestly I was telling myself, I think that's why I let myself play good golf -- I told myself coming down the last few holes that I felt like I found something on the greens and found something mentally. I'm looking forward to the weekend.

SEAMUS POWER: For me I'm going to try to do more of the same. I actually was very pleased on the back nine. Hit some better shots than I've been hitting. I look the greens. Putter has been rolling well so hopefully more of the same on the weekend.

SHANE LOWRY: I was disappointed coming down the last few holes. Just felt like I couldn't get anything going but I felt that today and on the back nine felt like I found

something in my putting and my game that I was not happy missing the cut but I would have been happier leaving here today because I felt like I found something. I'm optimistic for the weekend. I know I need to go shoot two low scores to have a good week. Playing with Seamus, he's playing tied fourth or fifth and he's only five ahead of me. If I can put a low one in the morning, you never really.
