HORIZON Irish Open

Q. You made the cut just by one yesterday, huge jump up the leaderboard. How pleased are you with today's round?

ANTOINE ROZNER: Very happy. Not much to say to be honest. I'm playing well at the moment. Yesterday I struggled a little bit as far as making good decisions and committing to them and today I just did completely the opposite and also I had some amazing numbers during 18 holes, so I think that makes a big difference, and yeah, just hit some very good shot out there.

Q. Three-over yesterday, 7-under today, ten-shot swing. What was the key to the difference?

ANTOINE ROZNER: Again, committing to the shots. Hitting -- made the right decisions and for example even on 18 when I hit it in the water off the tee, I thought I hit not a bad shot. Just didn't cut. Actually commit to it. I was surprisingly happy with it and hit a great third shot on to the green to save a great par. So happy, very happy with my round.

Q. We had a lot of rain overnight last night. What was it like out there with the early start?

ANTOINE ROZNER: The greens were actually very, very good this morning. As far as the fairways and stuff, it was already pretty software the first two days, so it's pretty similar. We still placed the ball out there.

It's playing pretty similar. Just the greens maybe roll a little bit better this morning.

Q. Last week you had four rounds under par. Did that give you much confidence entering this week, even though you had a 3-over round yesterday?

ANTOINE ROZNER: No, I think I'm playing well at the moment. I'm just trying to take advantage of it. Last week helped me a lot because I played, really, four solid rounds, and again, I'm playing well. So just one more round to go.
