### Quick Quotes

**Q. 67 to start here at the Horizon Irish Open, bogey-free?**

JULIEN BRUN: Yeah, very pleased with that. It was good. It's pretty warm so the ball is flying a very long way and no wind at all, so it was gettable today.

**Q. Wind was down but it's a tighter course, brought the fairways in a little bit and the rough is high and there's a real premium to driving and keeping the ball in play around here?**

JULIEN BRUN: Yeah, if you're in the rough, I started the first four holes, I was in the rough all the time and I found it very difficult, as I managed to make pars, and then I hit more fairways. From the fairways, you can be more aggressive and the greens are perfect. Hit the ball in play and go from there.

**Q. What part of your game is rolling well and keeping you in contention?**

JULIEN BRUN: It's pretty steady overall. Everything is getting good. I'm driving the ball a bit better, so from there I can use my iron play which is always strong for me and I've been putting well, so just got to keep going.
