## Vincent Norrman

### Quick Quotes

**Q. 7-under par today, 65, an incredible round of golf, 14-under is a brilliant target. How do you rate your chances of winning or perhaps playing off?**

VINCENT NORRMAN: We'll see. There's a few gettable holes coming in down the stretch there, and obviously 18 is birdieable today, so we'll see.

**Q. Six birdies in eight holes from the seventh. What was going through your mind as that was unfolding?**

VINCENT NORRMAN: I was starting off a little so-so, and I made two birdies and got a rain delay, had a coffee and then went out and flushed it.

**Q. Did you have a target score in mind at that stage when you got into the lead with four holes to go? Were you thinking of a certain number?**

VINCENT NORRMAN: Yeah, I knew this was a few chances out there. I didn't really have a number in my head. I just tried to press on with some looks and saved a few great ones, too, to keep the momentum going.

**Q. What will you do now? Eat? Watch? Go to the range?**

VINCENT NORRMAN: Probably have another coffee. Big coffee guy. Have a little snack and maybe hit a few balls.
