### Quick Quotes

**AMGEN**  
**IRISH OPEN**

 **DP WORLD TOUR**

#### **Q. Tell us about your round out there.**

ADRIEN SADDIER: It was pretty good. A pretty good start to me, like 2-under after three. Then 4 was pretty tough. I was quite surprised with the score to be honest. But I think, yeah, I managed pretty well the course, with my low moments and my high moments. So I feel happy about that 68.

#### **Q. How comfortable were you out there? You hit a lot of fairways and a lot of greens today. It did look like you were swinging it well.**

ADRIEN SADDIER: Yeah, I'm feeling good with my long game, pretty happy with where it is. I just tried to stay focusing shot by shot and tried to make a good one and tried to save par in some moments. That's it.

#### **Q. It did seem like the wind picked up the last hour and a half really, two hours. How tough was it out there on that back nine?**

ADRIEN SADDIER: Yeah, it was tough, but I think it was a good wind for us because at the end on the last four holes, the wind is helping. So I'm pretty happy to have that side of the wind and not the opposite.

Yeah, it picked up, but I think it was a good wind to take the last hole.

#### **Q. You won in Italy earlier in the season. How excited are you to add another title possibly tomorrow here?**

ADRIEN SADDIER: There is still 18 holes to play, so a lot of things can happen. As I said yesterday, I crushed myself last weekend. So I have a good chance.

I was with my team on Monday, and I'm focused on tomorrow and what I have to do and what I can control. We'll see what happens.
