## Thomas Bjorn

### Quick Quotes

**Q. Couple rounds in the 60s, 69 today, what were the challenges?**

THOMAS BJØRN: Yeah, you get a day like yesterday, everything is right there in front of and not much to think of, but the wind just increased during the day, so a little bit more to worry about out there today and all in all, a decent day.

**Q. Yesterday you said the important thing was to get your nose in there with a chance. Your nose is in there. Now what?**

THOMAS BJØRN: Now you've got to go. You're just catching up with your round all the way around, and you've got to turn that around. You've got to get out there and get some red on this golf course, and especially with the first three holes, you've got to be 1- or 2-under there. You've got to get the round off to a start at Sunningdale.
