Quick Quotes

Q. 67, tougher conditions. How much different was the course first round to today in the second round?

MIGUEL ANGEL JIMÉNEZ: Today is a little bit more breezy, a little bit more intensity, and it's also not as hot, because yesterday was very hot, but a little bit more intensity than yesterday with the breeze. And also different, different pin positions, was nice.

Q. Come to this golf course, how much does that help you, your experience at Sunningdale?

MIGUEL ANGEL JIMÉNEZ: It's a great golf course. Been playing here a long time and it's a nice golf course, and obviously like any golf course, you need to know where is the bunker and the fairway, you have to hit it high from the tee. The golf course is in beautiful condition.

Q. Going into the weekend, you're going to be a couple shots behind as it stands right now, what do you need to do on this golf course?

MIGUEL ANGEL JIMÉNEZ: Just focus and stay patient and enjoy yourself.
