Quick Quotes

Q. Third round of 73.

VIJAY SINGH: You know, the conditions are hard. We don't normally play wind like this, especially me, I haven't played in conditions like this for a long, long time. But you have to control your ball. It wasn't easy. Putting was really difficult. You know the grain is going to go right and if the wind is going that way -- you miss the putt. It was interesting.

I enjoy the game. I enjoy hitting balls. Golf has been my life. When I'm at home, guys say, what do you do to relax, I just hit balls. It's either that or take it easy and don't do anything.

Q. How much are you looking forward to the opportunity to win the Senior Open tomorrow?

VIJAY SINGH: I'm looking forward to it. I think I have the game. Just have to manage the ball flight. It's tough out there. You think you've got the right club but you've got to commit to it. Tomorrow I've got to make up my mind and stay positive in what shot I want to play and just play and see what happens.
