St. Andrews, Fife, Scotland

Tyrrell Hatton

Quick Quotes

**Q. Five birdies and three bogeys and a round of 70.
How does that leave you feeling?**

TYRRELL HATTON: I'm happy with how I scored. It was really tough out there. It was quite easy to make mistakes. Very easy to hit bad shots. I guess I was fortunate at times where when I did hit a bad shot, I didn't end up in like too much of a dodgy position. I was able to sort of get it on to the green kind of thing. So had a couple of 3-putts today but that's easy to do with the wind and stuff. Seemed like a very long day.

Q. What's the biggest challenge you face in these conditions?

TYRRELL HATTON: : Trying to have some kind of control over the ball. It was fluctuating between a little bit down or a little bit into. When it's so hard to get the club right, you probably saw on the coverage, a lot of guys coming up a long way short or very long. Just a really tough day, and you kind of, if you do get it on the green, you then sort of are in for a two-putt to be honest, anything outside 20 feet, you just kind of want to roll it up close and get out and get to the next hole.

So yeah, I'm happy with how I fought out there today in tough conditions.
