Quick Quotes

Q. Another good round, and the two of you did well as a team, as well. How was today's round?

EWEN FERGUSON: It was -- well, we did all right but the weather it was really, really tough to focus and stay concentrated. I think we've got quite a good relationship. We have a good vibe off each other and he's always laughing, just look at him, he's always smiling and then you realize --

BRAD SIMPSON: You have to laugh at my golf half the time otherwise I'll cry.

EWEN FERGUSON: It was good. We did all right but the weather was really, really tough to focus and stay concentrated. I think we've got quite a good relationship. We kind of have a good vibe off each other and he's always laughing. But we kind of got this one out of the way and looking forward to Kingsbarns tomorrow.

Kingsbarns is obviously a bit easier and a bit more friendlier if you miss the fairways and some of the greens and stuff like that.
