## Haotong Li

### Quick Quotes

**Q. First round Kingsbarns, incredible 64, a bogey-free 64 and you finished up at St Andrews level par. Tell us about your round?**

HAOTONG LI: It's been solid today. It's very tough, especially putting on those greens with that windy conditions. But very pleased to finish like this today.

**Q. Fair to say you haven't had the strongest of seasons; it's been a little bit tough. What's been the turnaround for you this week because it looks like things are moving in the right direction.**

HAOTONG LI: It is. I haven't been back home in two years, and I finally got back. I think that's the biggest key for me to turn around a little bit, and I saw so many old friends from back in the days, and they gave me a lot of positive and great thoughts as well.

**Q. You had a fantastic finish in 2018, top five. How much of the experience of that week are you going to draw on tomorrow and the next day?**

HAOTONG LI: I found my game is in the right direction right now. I just have to -- getting better every day and keep calm on the course, and the result will show by itself.

**Q. What's your experience with Carnoustie? Looks like, unfortunately, wet conditions.**

HAOTONG LI: Hopefully not that windy, not like today. Just need to play some solid golf and I'll be all right.

**Q. What would it mean to you to have a really good finish here this week?**

HAOTONG LI: Honestly I have no clue and no expectation, and I just want to play my best game and hopefully I'll win this week.
