Tyrrell Hatton

Quick Quotes

Q. So a bogey-free 67 to finish the week here. How did your week go? How did you feel?

TYRRELL HATTON: Obviously I'm happy with how I played today. It was probably -- actually, out of the four days, it was probably the best my game felt. I didn't really hole too many putts. I'll maybe look back on that with a little bit of frustration.

But it's been a great week. Obviously I was quite tired after the Ryder Cup. So if you told me at the start of the week I'd end up finishing tied second, obviously I'd been quite happy with that.

And this event has continued to be nice to me, and obviously enjoyed playing with my dad as well. So it's been a special week. And end of the week, I'm happy.

Q. What is it you love so much about this event? Why does it suit you so much do you think?

TYRRELL HATTON: Generally I've always putted well, and I didn't really hole anything, it sounds funny. But that's normally the biggest thing. Obviously the pin positions are a lot kinder compared to what we normally face throughout the year. With the amateurs we're playing with this week, it needs to be a little bit easier, and I guess just being able to take advantage of that.
