Quick Quotes

Q. Bogey-free round, nice birdie on the last to get to 8-under par, you must be quite pleased?

NACHO ELVIRA: I'm very happy to be honest. I played very solid. The day was nice to us. It was a little bit breezy especially at the beginning of the round but I played good. I putted great and 8-under I'm very happy.

Q. Those three birdies are just after the turn. What did that do for the round?

NACHO ELVIRA: Obviously I was not expecting the birdie on No. 2. It was playing tough. It was a 4-iron that I hit there but yet, like on those three birdies on the turn, get me a little bit excited and I was trying to go very low as possible, like everybody is doing.

Q. And you've got St Andrews tomorrow. How much are you looking forward to that round?

NACHO ELVIRA: Obviously playing St Andrews is always great but the weather is supposed to be terrible. We have a shotgun start so that means the weather is going to be brutal. It's going to be the same for everybody.
