## Aaron Cockerill

### Quick Quotes

**Q. Bogey-free start there at Kingsbarns, how did you feel?**

AARON COCKERILL: I played really good. There was a score to be had out there. I hit the ball well and I had a couple 2-putt birdies and made a couple 15-footers and just played smart. It was a good start.

**Q. How were conditions?**

AARON COCKERILL: With the forecast the rest of the week, we figured today you need a good score. Don't know what tomorrow holds in store for us but it was a beautiful, beautiful day out there.

**Q. Looking forward to St Andrews tomorrow?**

AARON COCKERILL: Yeah, this is my first round there. I've only played one practice round there but very much looking forward to it tomorrow.

**Q. What about the team aspect, makes it unique, doesn't it?**

AARON COCKERILL: Yeah, it's different. We play so much 72-hole stroke play, same thing all the time. So it's great to have new formats and a partner. We had fun out there today, hopefully keep it going.
