Quick Quotes

Q. Best score of the day of the guys who have come in, to do it on the toughest course when we have a lot of bad weather coming in, must be pleased with that.

THOMAS PIETERS: Definitely, I putted really nicely today. Last week I just didn't hole out from anywhere between eight to fifteen feet. Did a lot of work on that Tuesday, Wednesday and it paid off.

Q. Alfred Dunhill Links Championship; how is the vibe out there?

THOMAS PIETERS: It's really cool. This is the third or fourth time I've played with my partner so you know each other and you can joke. There's no nervousness.

Obviously playing with Kevin Pietersen was fun as well. There's a lot of swearing going on but in a good way, a lot of banter.

Q. Obviously you've seen the shotgun start tomorrow, very tricky conditions. How pleased are you to get Carnoustie out of the way?

THOMAS PIETERS: Yeah, I don't want to be beating balls in the wind here tomorrow, so I'll be fine at Kingsbarns.
