ALFRED DUNHILL  
LINKS CHAMPIONSHIP

**Q. Bogey-free and two eagles on the card. You must be pleased with that.**

FREDERIC LACROIX: Yeah, it's a low one. It's always nice to go low. I had a few longer putts that dropped and that makes it, yeah, 10-under, I didn't really realise until I came to 18.

**Q. Great day for the French players, Roman lag as equalled the course record at St Andrews. How nice to have a French winner?**

FREDERIC LACROIX: We had it last year and Victor showed us it's possible. If we can follow in his footsteps, I'll try to do that.

**Q. Could you talk us through the eagles?**

FREDERIC LACROIX: 9, I hit a really nice drive, middle of the fairway and I had a perfect number to win my 3-iron to pitch it in the slope and to stop it just close to the pin. I had like three or four paces to the pin and made the putt.

And on 16, I hit a pretty good 4-iron in there on the right side. It wasn't playing for the pin. It was just playing for the green really and just made that putt. It was a bit fast and I hit the pin and dropped.

**Q. What about the team aspect to this event, is it an enjoyable experience for you?**

FREDERIC LACROIX: It's not like any other Pro-Am because you only play with one amateur player. But actually today was great. Pace of play was all right and weather was nice. We had a good group today and I really enjoyed it.

**Q. Weather will be different tomorrow, but you'll be play St Andrews, looking forward that anyway?**

FREDERIC LACROIX: Yeah, see if we can get a few holes in because if it stays like the forecast says, I can't see a lot of play going on. We'll see how it goes.

 . . . when all is said, we're done.®
