ALFRED DUNHILL
LINKS CHAMPIONSHIP

Q. No rain today. How nice was that?

ANTOINE ROZNER: Honestly it was good conditions. Just the wind, this course needs to be a good tournament course.

I was happy from the most part of what I did today. I had an unlucky break on 18, my ninth hole spun back into the water hazard. The rest of it was very solid and pure. I was very pleased with that.

So yeah, I think not much to say about today. It was just good golf, yeah.

Q. Not very often you shoot a round over par and still in the tournament. Now that you've had some time to reflect on it, how important was yesterday's round?

ANTOINE ROZNER: It was massive. It was massive. What helped me as well to stay into it was my 9-under from the first round because obviously I was in the mix from day one and yeah, you have no choice but to fight in those conditions. I think we did a really amazing job with my caddie yesterday to stay dry and to stay focused on what we had to do.

2-over was a really, really good score yesterday. I think if I can have one more good round tomorrow, can reflect and say we had four solid rounds out there, yeah.

Q. You're in the mix; how exciting is it having the prospect of winning a tournament in St Andrews?

ANTOINE ROZNER: It's always exciting to be winning a tournament or to be in the mix for winning a tournament. So to be in St Andrews will be extra special. It's one of my first good experience on that course. I've never really played well before there, so that 9-under was really good to me, and yeah, if I can go back out there and play well, I think I would be really happy with my week, yeah.
