### Quick Quotes

**Q. Find yourself at the top of the leaderboard. Tech us through the second round of 66 at the Old Course?**

NACHO ELVIRA: It's always great to play here. It was a little bit windy at the beginning. The last four or five holes it died down a little bit but it's always great to play here. I enjoy playing these courses. I enjoy, you know, the battle that the weather brings all the time and I'm very happy with a 66. I played really well throughout the round, off the tee, especially, and managed to shoot a 66.

**Q. I don't think anybody comes to St Andrews with a bad feeling but obviously with the top 10 in your history, it must give you some added confidence?**

NACHO ELVIRA: Yeah, well, I mean, the problem with this tournament is that you never know what tomorrow is going to bring, especially weather-wise. We get to play tomorrow in Carnoustie. We'll see, it's supposed to be wet and windy, and real Scottish weather. Looking for another battle.

**Q. I think the highlight of your round might be the eagle at 18. Mistakes were very minimal, one bogey over two rounds. I guess that would be key tomorrow at Carnoustie?**

NACHO ELVIRA: Definitely, my game plan is try to avoid mistakes, especially avoid as many bunkers as you can on the fairway. You know, it is true that the eagle on 18 is a highlight but I think it's a highlight that I hit the fairway on 17, which I came here ten times and I've never done that before. That's more impressive to me.
