Quick Quotes

Q. Your second bogey-free round in a row, yesterday 65, today 67. How do you reflect on your day?

TOMMY FLEETWOOD: Yeah, it was a chance for a good score. Yeah, you know, when the Old Course is like this, if you hit it half-decent off the tee, you can give yourself a lot of chances.

5-under, bogey-free, it sounds good, but it was a bit of a frustrating one. I just didn't put like I did on the first two days really. A bit frustrating. But fair play to the guys who shot amazing scores.

Q. A second at the Olympics and third last week in Spain, is your long game as good as it's ever been?

TOMMY FLEETWOOD: No, not at all. Doesn't feel that great to be honest. But I keep hitting it where I can hit it. I keep hitting it in play. It's a strange game, really. I think you look at the middle part of the year, I felt like I was playing as good as I've played for a long time and I was consistent without getting any results.

I'm playing well. I'm doing a lot of the right things. I think scoring is something that's a bit frustrating but at the same time, it's like there's so many good things going on. Obviously very consistent. Yeah, I can't be negative about it. Just have to look at things that I can improve on to obviously reach that next level. Because the consistency is there and I'm doing really well but I just feel like I could be doing that bit better.

Q. Six shots behind going into the final round; it's been done before and it can be done again. Tomorrow they are forecasting 15-mile-an-hour winds, maybe 25-mile-an-hour gusts. Does that help the chasing pack?

TOMMY FLEETWOOD: I think it will be very, very difficult on a flat calm day, probably to chase, because I feel like the guys go out and shoot a good score, it's very hard for you then unless you do something special like course record.

ALFRED DUNHILL
LINKS CHAMPIONSHIP

Anything's possible. Not out of the realm of possibility being six shots behind. I still have to score better than I did today. Wherever I'm sitting, just continue to focus on my game and try and have a great day tomorrow and just see where that puts us.
