## Tom Vaillant

### Quick Quotes

**Q. 8-under par here at Kingsbarns, another good day.**

TOM VAILLANT: It was a nice day. Everything went on the right direction. Just a little mistake on 18 but it was a very nice round.

**Q. Your first time playing the Alfred Dunhill links. What is it about your game that you think matches up well with these historic Scottish courses?**

TOM VAILLANT: Yeah, I mean, I don't really know, just trying to do my best.

The conditions are quite easy. I think we can find it way harder than this. Only I'm trying to do the best shot I can at the right moment and we'll see what's going on.

**Q. Tomorrow you'll be back at the Old Course, three shots off the lead at the moment. You shot an 8-under 64 at the Old Course on the opening day of this tournament. How will you go about replicating that, do you think?**

TOM VAILLANT: Not trying to replicate anything. Just trying to do my best. The Old Course, we have a lot of opportunities, I think. Depends on the weather. We'll see. All about weather, so we'll see.

**Q. What would it mean to win the title at the old scores at St Andrews?**

TOM VAILLANT: Yeah, the Old Course is like the most historic golf course in the world. So obviously being able to play a tournament and being in contention there, it's amazing, so I'll see. I'm not thinking about winning. I'll just try to do my best. There's a long way to go, so we'll see.
