### Quick Quotes

ALFRED DUNHILL  
LINKS CHAMPIONSHIP

#### **Q. How much are you looking forward to this week?**

GRANT FORREST: It's one of my favourite weeks of the year. Three amazing links courses. Usually you get a mix of conditions. It's a shame it wasn't last week. The weather was beautiful last week. But no, looking forward to the week. It's always a special one.

#### **Q. How great is it to be back home?**

GRANT FORREST: Yeah, I love playing golf in Scotland. I grew up playing on links and practise on links when I'm home. We don't really get a chance to compete on links courses too much. So it's always nice to sort of test your skills on a different style of course.

#### **Q. How is the game coming into this week?**

GRANT FORREST: It's been a mixture. Obviously had the win and it's been pretty quiet other than that. But yeah, been working on a few things, and yeah, hopefully can get something going this week.

#### **Q. As a player, how much do you enjoy the format of this week, playing the three courses?**

GRANT FORREST: Yes, it's nice. To play as an amateur, they all -- it's a special week for them. Yeah, just playing three different courses, and St Andrews is such a special place just to be, and the whole atmosphere of the town, especially during this week, is amazing.

So yeah, really a nice one to play.
