ALFRED DUNHILL  
LINKS CHAMPIONSHIP

**Q. 12-under for the tournament, chat us through your round.**

RICHARD STERNE: Yeah, good day. I got the right draw I think for the day, so that helped, after all the years of playing here, sometimes you get good draws. Sometimes you get bad draws and today I got a good draw. Pretty happy with that.

But I'm playing well, and you can see that from the scoring.

**Q. The weather out there at the minute was brutal. It wasn't too bad this morning. Talk us through the weather today.**

RICHARD STERNE: Yeah, it was pretty good for the first nine, ten holes and then started to come in and I think it's pretty tough now. The wind is picking up and obviously with the rain it's not ideal. It's Scotland and that's what you expect.

**Q. With the different format this week, how do you prepare playing a different course every day?**

RICHARD STERNE: Fortunately I've played here since 2001, so I know all the courses. I just try and play a few holes. I always enjoy playing any of these golf courses; it's a privilege.

I always try to play St Andrews 18 holes and then I go nine holes on one of the other courses, and that's just kind of what I do to prepare, try and be ready and rest because it's a long week.
