ALFRED DUNHILL
LINKS CHAMPIONSHIP

Q. Massive move today in this weather and in light of the weather to come, a big day.

LOUIS OOSTHUIZEN: Yeah, played well. This was not fun the last six holes. We were lucky with an early tee time. But yeah, it played well, really well.

Q. You've looked so comfortable --

LOUIS OOSTHUIZEN: Cam looks so happy.

Q. You've looked so comfortable the last two days. What's working for you out there?

LOUIS OOSTHUIZEN: I don't know. I've been laying down actually sick. So I think it's probably not really worrying about golf, just trying to get through the day.

No, I love the links golf. I think it was one of the few times that I played Carnoustie when the weather was that good, and then I played well yesterday, and I think always this tournament, starting off really good gives you good motivation going into the next round. And Kingsbarns, as well. I always struggle around here but today I felt like I played pretty good. I made a stupid bogey on one hole, 3-putting from 20-foot, and the rest, played pretty solid.

Q. You've won Dunhill in South Africa. Your teammate, Branden, is it the only person in golf to have won them both?

LOUIS OOSTHUIZEN: It would be great if it can happen just so that I can tell Branden he's not the only one.

Q. Nice to see some of the local boys up there.

LOUIS OOSTHUIZEN: Yeah, for sure. There's so many South Africans playing this week, and it's always nice seeing a South African flag up there it. Hopefully we can pull it through this week.
